PROFILE

I am a skilled Frontend Software Developer that creates dynamic and responsive User Interfaces using HTML, CSS, JavaScript, TailwindCSS and ReactJS. I have knowledge in the use of SASS for styling and Firebase for Database services. I am a proactive team player who is able to learn quickly. I am seeking an opportunity to play a hands-on role in an enabling environment where I can apply my skills to contribute to the growth of the organization.

STACK

HTML | CSS | SASS | TAILWINDCSS | JAVASCRIPT | REACTJS | REDUX TOOLKIT | FIREBASE | GIT
